

RamanFest 2020 Poster Abstract Submission Guidelines

Abstracts uploaded for consideration by the RamanFest 2020 scientific committee should adhere to the following basic guidelines:

- Abstracts should be submitted in an editable document format, for example .doc, .docx, .odt, .txt.
- Include the following mandatory information in this order:
 - Poster title (IN BLOCK CAPITALS)
 - Author name(s) (in the form First/given_Name Second/family_name) with superscript numerals to indicate affiliations and presenting author listed first and underlined (e.g., Laura Smith¹, Max Jones²)
 - Author affiliation(s) (Institute, City, Country)
 - [optional] Presenting author's e-mail address *
 - Poster abstract
- Include all necessary images embedded within the document. Images should be of a suitable quality to be clearly legible when printed on letter-sized paper.

** Only include your e-mail address if you accept that this will be published in the RamanFest 2020 conference proceedings.*

If your poster application is successful, the abstract you have submitted will be reproduced in the conference proceedings. Please ensure that all details are correct when you submit the abstract for consideration.

Submit your poster abstract to joanne.lowy@horiba.com

If you have any problem submitting your abstract, please contact ramanevents.us@horiba.com

The decision of the RamanFest 2020 scientific committee is final.
